Procurement@biosaline.org.ae

International Center for Biosaline Agriculture - ICBA is an international, non-profit organization that aims to strengthen agricultural productivity in marginal and saline environments through identifying, testing and facilitating access to sustainable solutions for food, nutrition and income security.

I. GENERAL INFORMATION

1.1 Background and Purpose

The International Center for Biosaline Agriculture (ICBA) is an international, non-profit research-for-development organization that aims to strengthen agricultural productivity in marginal and saline environments through identifying, testing, and facilitating access to sustainable solutions for food, nutrition, and income security.

The purpose of this RFP is to invite qualified, experienced, and reputable companies to provide us with proposals for upgrading the saline water pumping station.

1.2 Deadlines

Deliverable	Deadline
Closing date for clarifications/site visits	26 th November 2020
Closing date for submission of proposals	30 th November 2020

1.3 Submission of Proposals

Submissions may be submitted online through the ICBA procurement portal <https://procurement.biosaline.org> or via email to procurement@biosaline.org.ae.

1.4 Proposal Contents

Proposal responses should include the following:

- The Bidder company valid trade license
- Technical Proposal and financial Proposal
- Portfolio of similar jobs
- If additional services are proposed, they should be identified separately
- Warranty details as required by this RFP.

1.5 Validity of Proposal

Proposals must remain valid and open for the acceptance of ICBA for at least, 90 days from the RFP closing date. Proposals specifying a shorter acceptance period may be considered as non-responsive proposals.

1.6 Incomplete and Late Offers

Incomplete and late proposals will not be accepted. It is the bidder's responsibility to ensure that the proposal is submitted complete, on time and in accordance with the RFP terms and conditions.

1.7 Inquiries

Bidders may submit questions in writing through e-mail to the following address and before the deadline stated above:

Contact name: Ms. Zareen Nyambura
Procurement Assistant
Tel. no. : 009714 304 6331
Email : procurement@biosaline.org.ae

Any prospective bidders seeking to arrange directly individual meetings with ICBA employees

concerning this contract during the bidding period may be excluded from the bidding process.

1.8 Alteration of Proposals

Bidders may alter their proposals by written notification prior to the deadline for submission of proposals stated in this RFP. No proposals may be altered after this deadline.

1.9 Eligible Bidder

Bidders considered eligible to submit proposals are defined as follows:

- Any entity/organization that is legally registered to do business in the UAE and can provide a valid certificate of legal registration/trade license and VAT Certificate.
- Bidder must have the technical and financial capacity to perform the contract successfully.

1.10 Costs for preparing proposals

ICBA will not be liable for any costs incurred in connection to the preparation and submission of proposals even if ICBA decides to reject all the proposals or cancel the bid.

Issuance of this RFP in no way constitutes a commitment by ICBA to award a contract.

1.11 Clarification

During the evaluation process, ICBA may request additional information from bidders if it is necessary for further clarifications in regard to the submitted proposal.

1.12 Amendments

During the proposal submission period, if ICBA decides to modify/change any requirement/s of the RFP, the modification/s shall be released through the issuance of an amendment to the RFP. Any amendment will be issued in writing and will be sent to all bidders.

1.13 Confidentiality

The entire proposal evaluation procedure is confidential, and all proposals are for official use only and may not be communicated either to the bidders or to any party other than ICBA.

1.14 Bid Cancellation

ICBA has the right at any stage of the bidding process to cancel the whole bid without the need to give a justified reason to any of the bidders. Bidders will be notified in writing of the cancellations.

1.15 Discussion/Negotiation

ICBA will initiate discussions should clarification or negotiation be necessary. Bidders should be prepared to provide qualified personnel to discuss technical and contractual aspects of the proposal.

1.16 Award Letter & Contract

ICBA reserves the option of contracting only for a portion of the specified project scope or of not awarding a contract to any bidder. Final approval to enter into a contract, the contract form and the scope of services to be provided pursuant to the contract, rests with ICBA. A contract may be awarded to more than one bidder based on the quality of the proposals and ICBA's needs. Please note that an award letter is not a contract and can be withdrawn at ICBA's sole discretion.

The bidder's failure to accept the award at the time of receiving notification will give ICBA the right to award the tender to the next bidder.

1.17 Bidder Responsibility

It is the responsibility of each bidder before submitting a proposal:

- To examine thoroughly the documents and other related data identified in the proposal documents.
- To consider federal and local laws and regulations that may affect costs, progress, performance or furnishing of the service.
- To promptly notify the Procurement Section of all conflicts, errors, ambiguities or discrepancies in or between the contract documents and such other related documents.

1.18 Governing Law and Language

This tender is subject to and shall be construed according to the applicable laws and regulations of the United Arab Emirates. The bid documents and all notices pursuant to the provisions thereof shall be in English.

1.29 Pricing

The financial proposal should be in the UAE Currency (AED). Any "other/additional services" should be priced separately.

1.20 Evaluation of proposals

ICBA intends to conduct a comprehensive, fair, and impartial evaluation of proposals received in response to this RFP. All proposals that are properly submitted will be evaluated by the Technical Evaluation Committee and the Procurement Committee.

It is the bidder's responsibility to ensure that the technical proposal submitted fully complies with the Terms of reference and scope of work.
